exceeded, excess charges may be collected by the airline at the airport. Do not lock baggage you intend to check in at the airport. Please confirm these specifications when you receive your final travel documents, as they can and do change.

Carry On Luggage: You may also bring a small carry-on bag that will fit under an airline seat and on the small parcel racks of the motor coach, which average about 8 inches high by 18 inches deep. It is best if your carry-on bag is soft sided, as the parcel racks on the motor coaches are small.
